

## REFERRAL PARTNER SHEET

### A dependable home care partner for safe discharges

Olive Angel Care Services is a licensed, nurse-supervised home care agency serving greater Houston. We make referrals simple, respond fast, and keep your team informed — so patients get home safely and stay there.

#### What we provide

|                                     |                                                                                                                                                                                                                    |
|-------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Home Health (skilled)</b>        | Skilled nursing visits, wound care, medication management & education, post-hospital and post-surgical recovery, chronic-condition management, therapy coordination — under a physician's plan of care.            |
| <b>Personal Assistance Services</b> | Non-medical help with bathing, dressing, meals, light housekeeping, errands, medication reminders, companionship, and respite for family caregivers. Flexible schedules, including overnight and 24-hour coverage. |

#### Our promise to referral partners

- Callback within one business hour (Mon–Fri 8am–5pm); on-call line after hours.
- Prompt acceptance decisions and start-of-care scheduling.
- Clear communication back to the discharge planner, case manager, or physician.
- Background-checked, trained caregivers; clinical care overseen by a registered nurse.
- HIPAA-compliant handling of all patient information.

#### How to refer — three steps

- Call 832-759-0766 (or use the non-clinical form at [oliveangelcare.com/referral-partners](http://oliveangelcare.com/referral-partners)).
- Send the clinical packet (face sheet, orders, notes) through our secure fax / HIPAA-compliant channel — we provide details on the first call.
- We confirm, coordinate the start of care, and keep you updated.

#### Service area

Houston, Pearland, Sugar Land, Missouri City, Katy, Cypress, Spring, Stafford, Richmond, Rosenberg, Pasadena and surrounding communities — Harris, Fort Bend, and Brazoria counties.
